Dear Ms. Freeman-Wakefield:

Pursuant to the National Certified Public Manager® Consortium Standard Operating Procedures, we are hereby petitioning the Board of Directors that a continuing accreditation review be conducted in 2019 for the Certified Public Manager Program® in the District of Columbia. We are delighted to report that we have just begun Cohort 31 with 23 participants.

We look forward to participating in this process and are ready to work with the members of our Accreditation Review Committee once they are appointed. I can be reached at 202-442-9624 or via email at cheryl.robertson@dc.gov.
