RE: Maryland Certified Public Manager® reaccreditation request

Dear Ms. Robertson:

On behalf of the Maryland Certified Public Manager® Program I am writing to apply for reaccreditation in 2019 in accordance with our approved request to postpone our 2018 reaccreditation to 2019.

We are currently recruiting for our next class which we expect to start in the January 2019. Our program is now run in a series of five one-week retreats. Over the summer, our program will be in session June 3-7, 2019 and July 29 – August 2, 2019. If the reaccreditation visit is scheduled during one of these weeks, the site reviewer will be able to see the one of the classes in session.

Please contact me at 410.837.6185 or acotten@ubalt.edu if you have any questions.

Sincerely,

P. Ann Cotten, D.P.A., CPA
