Ms. Morgan,

The purpose of this communication is to request an Extension of Active Status for the Virginia Certified Public Manager (VA-CPM) Program. The VA-CPM Program is delivered and sustained by the University of Virginia's Weldon Cooper Center for Public Service (WCCPS) through the Virginia Institute of Government (VIG). VIG continues to evaluate program design and other key requirements to move forward with potential program delivery. Charles Hartgrove, VIG's managing director, is responsible for the VA-CPM program.

Current Status: The Office of the President of the University of Virginia is currently conducting a search for the next executive director of the WCCPS. VIG will finalize evaluation and design of the potential VA-CPM program once the incoming executive director has the opportunity to review the program and make a final determination of our participation moving forward.

We plan to reach a decision regarding our ability to move forward as the VA-CPM provider before the beginning of the next fiscal year: July 1, 2024. Please let me know if you have any questions or require further information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles W. Hartgrove', written over a horizontal line.
