RE: Maryland Certified Public Manager® reaccreditation request

Dear Dr. Campbell:

On behalf of the Maryland Certified Public Manager® Program I am writing to apply for a reaccreditation review of the Maryland program in 2024.

The Maryland Certified Public Manager® Program launched three cohorts in August 2023. Two cohorts are for state, county, and municipal government managers and one is for nonprofit managers. The program is offered primarily online with live instruction via Zoom. In addition, we will be hosting four in-person events over the next year along with an in-person graduation for three cohorts on July 10, 2024 at the University of Baltimore.

Please contact me at 410.837.6185 or [acotten@ubalt.edu](mailto:acotten@ubalt.edu) if you have any questions.

Sincerely,

Ann Cotten, D.P.A.  
Executive Director  
Schaefer Center for Public Policy  
Maryland Certified Public Manager® Program

C: Patty Morgan, National CPM Consortium Administrator
